

**Hawkins Epp Dumont LLP**  
Chartered Accountants

## **CHARTERED ACCOUNTANT - MANAGER**

Our firm, Hawkins Epp Dumont LLP Chartered Accountants, requires a Manager for our Edmonton office. The ideal candidate will be a CA who desires a long-term career in public practice, wanting an opportunity to join an established management group, taking over responsibility for specific clients. We will help and encourage the successful candidate as they develop their own clients. A candidate who already has a fee base is welcome to apply. If the candidate wishes a flexible work schedule, we are open to considering such an arrangement (e.g. certain number of days/week).

We are a local mid-size firm with offices in Edmonton and Stony Plain. Our firm has been serving our clients for over 45 years, providing a broad range of public accounting services to our personal tax and owner-managed clients. As well, we serve a large audit client base which includes credit unions, co-operatives, municipalities, school divisions, non-profit organizations, and private and public companies.

If you are interested in "growing" your career with us, please forward your covering letter and resume to:

Michael Epp, CA, CMA
